

Tracker takes care of you
and your loved ones, no
matter where you go.

To care is to protect

Tracker gives you the freedom to explore your world. With our innovative range of products and services, we ensure that you and your family are cared for and protected. When you're protected you feel safe. And when you're safe, you are free to get out there, knowing that Tracker will take care of you.

With pre-emptive vehicle tracking and intelligence we're with you on every journey, dedicated to making sure your vehicle is always within your control. We have more than 1 million active subscriptions in Southern Africa alone. Tracker protects your assets, supports your business and safeguards you and your family.

Execufleet

It's not about the information your business has, it's how you use it. Our products are designed to turn information about how you use your vehicles, into services that help you get to where you are going in a smarter, safer, and more cost-effective way.
